

Bespoke Training Courses

: Risk Assessment Courses

Aimed at persons required to undertake risk assessments for display screen equipment, manual handling, working at height, lone working, young persons, expectant mothers and COSHH in offices and other low risk occupations.

↳ Duration

1 day

↳ Price

£100 + VAT per delegate – includes lunch, coffees and biscuits

↳ Learning Outcomes

Students will be able to complete basic risk assessments and be able to recognise when additional help is required. Helps companies meet the requirements placed on them by Section 7 of the Management of Health and safety at Work Regulations 1999.

Will enable persons involved with risk assessments in higher risk activities to have a full understanding of the risk assessment procedures needed to be followed.

Please call us on 0800 141 2885 to arrange booking a date for this course.
